THE IDEALS OF MEMBERSHIP

The enjoyment of golf depends a great deal on the co-operation, consideration and courtesy extended by fellow competitors.

What is true of the game also applies to Club Membership.

The spirit and image of a Golf Club is projected by the way fellow members show respect, courtesy and consideration to one another.

This courtesy and consideration should extend to the choice of dress generally, in the standard of conduct on the course and in the Clubhouse.

The standards of a Golf Club may be judged by the etiquette of its members.

Members are asked to give close attention to the following thereby avoiding penalties, promoting harmony and making the game pleasant for all:

1. The Rules of Golf
2. The Etiquette of the game
3. Your speed of play i.e. your position in the field relative to the group you are following
4. The Local Rules
5. The Regulations governing conditions of play and competitions.

DRESS STANDARDS

The Club's Management, Golf Operations Manager and the Golf Shop staff are authorised by the Board to ensure that members, member's guests, visitors, caddies and spectators comply with the Club dress code. The judgement of the staff as to the suitability of attire shall be considered final. Persons not complying with the dress code may be required to leave the course or the Clubhouse.

Golfing attire both on the course and in the Clubhouse is to be clean, tidy and appropriate to the game.

In order to assist members and visitors to interpret this expectation, the following standards will be applied when considering the suitability of dress.

Unless otherwise stated these guidelines apply to both men and women.

Course and Practice Facilities

- Tailored trousers, shorts or skirts must be worn
- Trousers, shorts or skirts designed to be supported by a belt must be worn with a belt.
- Men's shirts must have a collar and be tucked into trousers/shorts.
- Socks of any length may be worn with shorts.
- Men's short socks must be predominantly white in colour and may feature a small logo.
- Socks must be worn with footwear.
- Only golf shoes with soft spikes are permitted (with the exception of caddies who may also wear flat sole shoes).

UNACCEPTABLE ITEMS OF DRESS

- Denim apparel or headwear of any description.
- Gym and sporting type shorts.
- Gym or running shoes, thongs, sandals or bare feet.

- Abbreviated shorts or shorts with an elasticised waist, shorts supported by a drawstring and shorts or three quarter length pants with large "cargo" style pockets.
- Trousers must not be tucked into socks (unless plus 2's or plus 4's).
- Track suit pants/tops or any type of gym attire.
- T-shirts.
- Shirts without collars (an exception applies to women's attire and shirts that are specifically designed for golf).
- Apparel and headwear displaying large non-golf related motifs, logos or advertising.
- Caps and visors worn backwards.
- Metal spikes.

In the Clubhouse and Surrounds

Neat casual dress is the minimum standard acceptable within the confines of the Clubhouse.

In general terms, golf attire which is acceptable on the course will be acceptable in the Clubhouse.

- Denim jeans may be worn in the Clubhouse but they must be clean, tidy and not be of the frayed or torn variety.
- Men may only wear sandals with a back strap.
- Golf shoes with soft spikes may be worn in the Clubhouse.
- Caps, visors, or hats shall be removed inside the Clubhouse (the breezeway, Golf Shop and locker rooms excepted).

The dress code applies to members, member's guests, caddies, spectators, and 'Corporate Day' players.

It does not apply to children 12 years or under.

PLEASE NOTE: Members are at all times responsible for the attire of their guests and should inform them of our dress requirements in advance of visiting the Club to avoid any embarrassment.

ETIQUETTE

The lowest handicap player of a group is responsible to ensure that players observe the etiquette of golf which implies thoughtfulness for others.

Players are reminded of their responsibility to others on the course and that a two stroke penalty or disqualification can be applied in competitions for slow play.

In the interests of all players you are requested to:

1. Check the Local Rules and any Temporary Local Rules before you hit off;
2. Keep up with the group in front. If you fall one hole behind you must call the following players through without request. Should players in the front fail to call you through in these circumstances, you should request to play through in the traditional way, by calling 'Fore', and await acknowledgement of the signal;
3. Do not walk ahead of someone still to play but aim to position yourself and select your club before it is your turn to play. Ready Golf is permitted and encouraged to ensure pace of play is maintained. On the putting green repair your plug mark and study the line of your putt before it is your turn to play;
4. Consider pulling the bag of the last player on the tee forward immediately after the player has played his shot. This can help save time;
5. Watch other players' shots and if there appears to be a possibility of a ball being hard to find, mark its position carefully and discuss your view of the probable position as you walk forward with the player;
6. Move briskly between shots and stay aware of your responsibilities to other players in the field;

7. Play a provisional ball when your ball may be hard to find in long rough or trees;
8. Call following players through if they are waiting and your ball is not immediately found. Every player may search for their ball for five minutes, but waiting players must be called on to play through if it is your turn to play and your ball has not been found.

Players who call through another match should, if convenient, play their next shot and walk forward with the group called through. They should then not resume play until the players called through are out of range;

9. It is recommended that, where practical, those players whose ball is not involved in a search play their next shot prior to assisting in the search.
10. All golf buggies must be wheeled or driven to the rear or side of the green nearest to the next tee. It is also helpful if another member of the group pulls the buggy through to the exit of the green if you are playing.

Players must not commence a round from tees other than the 1st or 10th without the approval of the Golf Operations Manager, Golf Staff or General Manager.

Players engaged in official Club Competitions, as listed in the syllabus, or specifically approved by the Golf Operations and Development Sub-Committee, shall have precedence over other players.

In competitions, unless the conditions of the event demand otherwise, formations of four shall have precedence over other formations; otherwise all players playing in formations of two, three or four have equal rights on the course.

A single player or formation of more than four has no rights and must give way to other formations. In competition rounds, on Mondays, Tuesdays,

Wednesdays, Thursdays, Saturdays and Sundays during the hitting off times from 7.00 a.m. to 8.42 a.m. and from 11.30 a.m. to 1.08 p.m., or as may be listed on the booking sheet, groups commencing on the 1st and 10th tees have precedence.

At all other times, groups proceeding from the 9th or 18th greens must alternate with groups waiting to commence their rounds on the 10th and 1st tees as the case may be.

Players engaged in social rounds are requested to make up formations of four to even the flow of play.

PLAYING RIGHTS

Subject to the special rights and precedence of competitors in official competitions, the following playing rights apply:

7 day Categories

May play every day.

6 day Categories

May play every day except Saturday.

Weekday Categories

May play Monday to Friday. Lady Weekday Members may play on Tuesday in the Ladies Running Ball Comp after 12.00 noon. May also play on Sunday afternoons up to 12 rounds during a Club year by introducing themselves with their self introductory card or by being introduced by a member with rights on these days and upon payment of the relevant green fees. Weekday Members may not introduce guests on Sundays.

Restricted

May play 12 times during a Club year on any Sunday to Friday by introducing themselves with their self-introductory card and another 12 times by being introduced by a member with playing rights on the

specific day and paying the relevant guests green fees. Restricted Members may play in Mixed Events and Twilight competitions, subject to the conditions of the competition on payment of the relevant fee. Restricted Members cannot play on Saturdays or Ladies Tuesday Competition. Restricted Members may only introduce visitors to the golf course playing facilities during all social playing times, Thursday and Friday Golf Shop competitions, Twilight Nine and Dine events and Sunday Mixed/Medley golf events.

Restricted - Limited Veteran

If the Restricted Member is aged 70 and over and with at least 25 years of membership, such member may play non-competition golf on any Monday, Tuesday and Thursday after 3 pm and may play in the Friday 9 hole competition.

Temporary and Corporate Nominee

May play every day but not in Honour Board events.

MEMBERSHIP DISC OR GREEN FEE RECEIPT

All members with playing rights must have a current membership disc attached and visible on their golf bag. Visitors and Restricted Members must attach and exhibit their Green Fee receipt on their golf bag.

PLAYING TIMES AND DIRECTIVES

ALL PLAYERS MUST REPORT TO THE GOLF SHOP PRIOR TO HITTING OFF.

Restrictions as to members' hit off times on certain days are imposed, not for their own sake, but in an effort to optimise the enjoyment of the large number of members and their guests who use our course. Please note that the playing times generally have been standardised to ensure common starting times.

No social round may start until the competition field is through the crossover or without the consent of the Golf Operations Manager or Golf Staff.

Social Golf Outside These Times

During Summer and the early morning light, members (and guests) use the course on Sunday morning with increasingly early starts.

Consequently, members who hit off before 'official' tee times can, on occasions, disrupt the later field and this is unacceptable.

On dates when official Club events are being played, tee times may be varied. Players in Club events have precedence on the course.

MEMBERS ARE REMINDED TO ALWAYS CHECK THEIR SYLLABUS AND REFER TO THE NOTICEBOARDS AND CLUBS WEBSITE FOR ANY CHANGES TO THE SYLLABUS.

Crossover

The 1st and 10th tees are closed between the last AM tee off time and first PM tee off time to allow for competition crossover.

This is also applicable from the last PM tee time until approximately 3.30pm.

Golf Operations Manager Starting and Play Requirements

The Golf Operations Manager and Golf Staff are responsible for the maintenance of the pace of play at Green Acres. Each group must keep up with the group ahead. The Committee considers that the average rounds should be completed in no more than the following times: -

- Par/Stableford up to 4 hours 10 minutes or 13 minutes per hole

- Stroke up to 4 hours 20 minutes or 14 minutes per hole
- Match play up to 4 hours 10 minutes or 13 minutes per hole.

The Golf Operations Manager and Golf Staff have the authority to enforce the pace of play times and members must be alert to these at all times and when requested to move, do so as directed.

Starting

The starting of the fields is the critical action in maintaining the Club's pace of play requirements. Delays in hit off times create a starting backlog and that will culminate in the extension of hit off slots past the allocated times. This 'bulge' extends into the field causing delay to play throughout the course.

Time slots

At Green Acres we use the combination of a booked timesheet and a walk-up time sheet. The walk-up tee can often get overloaded by late arrivals or large fields who expect to hit off and when they are allowed, they create the delay bulge.

THE FINAL HIT OFF TIME WILL BE STRICTLY ENFORCED WITH MEMBERS TURNED AWAY IF THE HIT OFF TIME LIMIT IS EXCEEDED.

The critical issue is the time that the final formation hit off (i.e. the last player has walked off the tee).

Arrival Times and Being Prepared to Play

All members must be ready to play 10 minutes before the notified start time. If a member is not available at this time the Golf Operations Manager and Golf Staff may utilise the slot (booked sheet).

Starting Power

The Golf Operations Manager and Golf Staff has the authority to change players between tees and

between tee times to ensure that the pace of play targets are maintained. Members who refuse to move will be relegated to the tail of the field on the walk-up tee and could miss a game.

The Golf Operations Manager and Golf Staff will only use these powers to ensure pace of play is maintained. Regular playing groups will continue to enjoy the traditional formation selection arrangements but must understand that the comfort of the members on an overall basis is the predominant objective.

Course Marshalling

The Golf Operations Manager and Golf Staff are responsible for maintaining the on course pace of play. All actual formation hit off times will be recorded and these times will be used to monitor and determine where formations should be in relation to the game being played and allotted pace per hole.

The Course Marshall has the Committees authorisation to:

1. Warn the group that they are behind schedule and have one hole to pick up the speed.
2. Ask the formation to call the following group through and supervise the call through process.
3. After being warned and failing to improve field position; the Course Marshall may request the group to pick up their balls and move quickly to the next tee. This will apply to Par/Stableford events and will result in the loss of that hole for each member in the formation.
4. Penalise the whole formation two strokes in a Stroke event (Rule 6).
5. The Course Marshall will report all warnings and penalties to the Board.

Committee Action

Failure to abide by the directions of the Golf Operations Manager and Golf Staff in any of their functions (starting/marshalling) will result in the Committee taking disciplinary action against the offenders.

Summary

The functions of the Golf Operations Manager and Golf Staff are designed to produce the best golfing conditions for all members. The Committee expects support and co-operation as it takes action to ensure comfortable golfing conditions.

PRACTICE AREAS

We have limited practice areas and for safety and practical reasons, certain restrictions are necessary.

Practice tee (restricted use)

A practice tee area is available from which balls may be hit down the 10th fairway only. Balls may not be hit from the 10th fairway towards the tee.

This area can only be used on weekdays before 8am provided that no competition is being played at that time. The practice tee may also be used after 3.30pm when the competition field has completed the crossover except on Wednesdays during Nine and Dine and Thursdays during the Mens' Pennant season.

Practice nets

Open at all times. Members are reminded to be as quiet as possible in consideration of our neighbours.

Teaching area

The area behind the practice nets is reserved for teaching by the Golf Staff ONLY and must not be used by members.

Practice area - chipping, putting green and bunker

Available when the Golf Staff are not conducting golf lessons from the teaching tee. Members practising must give way and not cause interruption to teaching being conducted by the Golf Staff. Members practise at their own risk and must be alert to players teeing off from the 10th tee and the practice tee.

Practice putting green area

Open at all times, but when a number of members are using the facility, it is requested that each person uses a maximum of two balls.

On course

A player is not permitted to play more than two balls during a practice round. **ONLY** tee markers of the day are to be used.

COURSE RADIO EMERGENCY SYSTEM

Location points of our Course Emergency System are at the 7th, 13th and 16th tees.

The operating instructions are located at each site and must be followed to ensure all emergency details are recorded correctly.

NB: If in an emergency a member uses a mobile phone, it is essential to advise the office of your actions.

FIRST AID

First Aid kits are available in the golf shop, bar and office. A heart defibrillator is located in the Clubhouse.

COURSE WARNING SIGNS

Please observe and take notice of the warning signs near the practice chipping facility, between the 6th

green and 7th tee and when crossing from 12th green pathway to the 13th tee. When teeing off from the 18th tee you must give way to golfers crossing from the 12th green to the 13th tee.

CLUB COMPETITIONS

Members must be financial to play in Club competitions. To compete in Club competitions, a player must enter his/her name in the competition of the day at the Golf Shop and/or in the Special Events book, or on a sheet or list provided for this purpose in the sign-on area:

- (a) In weekly events, before starting play.
- (b) In "Special" events, by the closing date of entries.

The Golf Operations and Development Sub-Committee may disqualify any competitor who does not satisfy these requirements.

For all competitions, the first countback is over holes 10 - 18, the second countback is over holes 13 - 18, the third countback is over holes 16 - 18, and the fourth countback is backwards from the 18th hole. The minimum number of players for a Club competition is 20 and six players for a ball competition.

Matchplay events which end all square shall be continued hole by hole from where the match began until one side wins a hole, with strokes in handicap events being allowed as if the match had recommenced.

All Matchplay events must be completed on the day set down in the syllabus, except those events for which deadline dates are specified.

NOTE: In Mixed Events, Ladies take strokes against Par where shown on the Score Card.

HANDICAPS – MEN

The validity of the handicapping system and the rules of golf require the prompt return of all competition cards. Members are expected to return all completed cards properly signed by themselves and their marker. Players are responsible for playing on correct handicaps, which must appear on score cards before they are returned.

The maximum Golf Australia handicap is 36.4.

ETIQUETTE WHEN VISITING A RECIPROCAL CLUB

Green Acres is fortunate to have reciprocal relationships with several Clubs which in common with us have various demands on their course and Clubhouse. It is therefore essential that when visiting a reciprocal Club all members observe the following procedures:

1. Make Prior Arrangements

All members should either write to or telephone the Secretary Manager of the reciprocal Club well in advance of the proposed date of visit and indicate preferred times when you wish to visit. Confirmation from the reciprocal Club should be obtained.

2. Have a Current Letter of Introduction

A letter of introduction is required by the reciprocal Club. This should not be more than one month old when presented. This letter confirms your class of membership as well as your handicap. When visiting, members should understand that most reciprocal Clubs extend privileges which are comparable to those enjoyed by that member at Green Acres. Playing times may be restricted to various classes of member. This situation should be clarified with the host Club in advance to prevent embarrassment.

3. Number of Visits and Green Fees

Some of our reciprocal Clubs will limit the number of occasions that a Green Acres Member may use the course and Clubhouse. Generally, Green Acres Members will be welcome for short term visits. Some reciprocal Clubs do charge green fees.

4. Bringing Visitors with You

Members who are visiting reciprocal Clubs need to clarify whether or not they are allowed to introduce one or more visitors and what green fees are likely to be incurred. Most Clubs do have restrictions and again this should be clarified with the Club beforehand.

YARRA COURSES RECIPROCAL AGREEMENT

CONDITIONS

1. That visits to away clubs by any member be limited as per that particular Club's requirement and are subject to availability.
2. That a green fee of \$20 be charged by the host Club.
3. That visitors **must** enter the host Club's mid-week competition if so required.
4. That bookings be arranged in accordance with each Club's requirements.
5. Visitors must produce their Yarra Courses Reciprocal Card for clipping.

SELECTED BY LAWS

Lowest Handicap Player Responsible

The lowest handicap player in a formation is responsible for the maintenance of the etiquette of golf by the formation.

Junior Formations

Junior Members, under 18, are required to play in formations where there is no more than one other Junior Member under 18 years and such Juniors shall not be permitted to mark each others card.

Precedence on the Course

The President, Captain and official guests of the Club shall be given precedence throughout the course at all times.

Ball Searchers

Ball searchers approved by the General Manager are the only persons permitted to search, at large, for golf balls on the course. All balls found by approved searchers on the course must be first offered for sale to the Golf Operations Manager.

Discs on Bags

All players must display on their golf bag the Club identification disc or a current receipt for green fees.

Suspension of Play

(i) Suspension of Competition Play

In the event that the Golf/Competitions Sub-Committee deems the course to be unplayable during competition play, a siren will sound continuously for 15 seconds. Players must proceed in accordance with Rule 6-8b.

A siren will sound three short bursts to signify that play will resume.

Players are asked to assist those furthestmost from the Clubhouse alerting them to the fact that the siren has sounded.

(ii) Competition Play/Inclement Weather

If 50% of a starting field complete or can complete their round within four and a half hours of the last hit-off time or delay in play (suspension) has not exceeded half an hour, a competition shall not be abandoned or altered in any way.

(In defining 50%, should groups withdraw due to inclement weather and other groups behind continue and complete the round, all players in front of them are deemed to have finished despite the fact that they left the course). Where less than 50% can complete their round as outlined above, the competition of the day shall be cancelled and a sweepstake (ball comp) conducted instead. Medals, Honour Board, Special and sponsored events shall be re-scheduled where possible.

(iii) In the event of the actual or forecast weather conditions on the day making the play of the teams competition impractical, the starter may exercise his discretion and alter the competition to a singles event.

Close of Competition

Unless it otherwise determines, the Golf/Competitions Sub-Committee shall disqualify any competitor who fails to return an 18 hole competition card by 6.00pm. The last group must complete their round within 15 minutes of the second last group.

Eligibility of Visitors

Visitors may be entered in Club competitions subject to the payment of green fees and competition entry fees except on Saturdays (other than guest days) when they can play only with the prior approval of the President, Captain or General Manager. On Guest Days, green fees are waived. For Ladies on Tuesday afternoon and for Men on Wednesdays, green fees are waived for visitors introduced under the Yarra Courses Reciprocal Agreement but the competition entry fee is to be paid.

Visitors

Visitors may be introduced by members on any day other than Saturdays and Tuesdays. (Guest Days excepted). On Saturdays, visitors may be introduced with the permission of the President, Captain or General Manager. On Tuesdays, visitors may be introduced with the permission of the Lady President, Lady Captain or General Manager. The visitor so introduced must play in the competition of the day.

Visitors may be introduced on Wednesday afternoon, if field sizes permit. Members should contact the Golf Shop prior to bringing a visitor on Wednesday afternoon.

Visitors may play a maximum of 12 times a year. However, play in the Green Acres Twilight event or Green Acres Mixed Events do not count in this limit.

Spouses of members may be introduced without limit provided the full member's guest fee is paid and all other visitor conditions are met.

Visitors must conform to the Club's dress and playing rules.

A member may bring three visitors except on Sunday prior to 11.30am where only one visitor may be introduced.

Visitors must have a current Golf Australia handicap.

Visitors to be entered in Visitors Book

The host member shall enter the visitor's name in the Visitor's Book in the Club foyer immediately on entering the Club unless the visitor has already been entered in the register maintained in the Club Golf Shop as a golfing visitor.

Staff Gratuities

Direct "tipping" of staff is contrary to Club policy, but a gratuity box shall be made available for this purpose. An appeal to members for donations is made annually and all gratuities are distributed in December.

Instructions to Staff

Only the General Manager is authorised to instruct or discipline an employee of the Club.

Complaints

Complaints by members concerning the management of the Club or its employees shall be made in writing to the General Manager who will take appropriate action. Complaints concerning the General Manager shall be addressed to the President.

Course Usage

Pursuant to Article 3 which states that the Club is established, particularly for the purpose of providing and maintaining a suitable golf course, it is declared that the major purpose of the golf course is playing of golf.

The conducting or playing of any other sports or sporting activity or recreational activity on the course (including but not limited to walking, jogging or running) other than in the course of playing, watching or administering golf, is

not permitted. The Committee may, on application, permit any such activity from time to time and subject to any condition that the Committee deems appropriate.

Access to Course

Member, member guests and/or visitors' entry and access to the course is only permitted via the Clubhouse or the designated entries as approved by Club Management.

Dogs

Except for guide dogs, members and/or visitors shall not take dogs into the Clubhouse or on to the course.

Protection of Property

No member shall remove from the Club or damage any article which is the property of the Club. In addition to any penalty imposed by the Committee, the members shall be liable to make good any loss or damage suffered by the Club to the satisfaction of the Committee.

Mobile Phones

Mobile phones are not to be used within the area defined by the external walls of the Clubhouse nor on the golf course except in the case of a medical or mechanical emergency.

Children

Players under 16 years of age shall not play golf on the course unless they are members, or have the express permission of the Captain.

Persons under 10 years of age are not permitted on the course without prior approval of the General Manager or Captain and then only if they are accompanied by an adult member responsible for them.

Golf Buggies and Golf Bags

Buggies, golf bags and golf clubs are not permitted to be stored in the locker rooms.

Bicycles are also not to be stored in the locker rooms.

Smoking

Smoking is prohibited within the area defined by the external walls of the Clubhouse and on the course on days of total fire ban.
