WHAT DO THE SESSIONS INVOLVE

Our clinics are a great way for juniors to learn the game of golf alongside a friend or relative, while making friends and having fun. The clinics will be conducted on Monday afternoons. The clinics will cover the areas of set-up, putting, chipping, bunkers, pitching and full swing. We will also be using the course as much as possible and teaching the participants all areas of the game. The aim of our camp is to introduce juniors to the game of golf through fun games. The camp will be conducted by our Teaching Professional Michael Skinner.

Our primary objectives are for the juniors and adults to learn how to play the game and to enjoy themselves.
